

Cooking for students: Role & Responsibilities

Student Cooks Team Overview:

We love our students and we love to keep them fed physically as well as spiritually! Every Sunday during term time (apart from first of the month family bring and shared meals), we provide a hot meal with pud for the student group to enjoy after the service while they run their own Bible study group. We are looking to expand the team of cooks.

Time commitment: One or two Sundays per term. To either cook at home and heat up, or cook from scratch during the service, ready to serve around 12:30pm.

Overseen by- Rae
