

Sunday Morning Prayer Team: Role & Responsibilities

Prayer Team Overview:

This is a team we haven't really got off the ground yet, but would like to. We know how crucial prayer is to our spiritual life, and how valuable it is to have others to pray with us and for us. We would like to get a team of people who are willing to pray with/for others at the end of each service.

Time commitment: Once a month, for about half an hour or so after the service (as required)

Overseen by- Rae

Responsibilities:

- To wear a green lanyard to identify yourself as someone willing to pray with/for others
- To be available at the end of the service for people to come to you and ask for prayer
- To listen to the prayer requests of those asking and to pray with/for them.
- To keep any information shared in confidence.
